

Formclad Bookkeeper Task List

Weekly / Twice Weekly Tasks

- **Monitor invoice and PO entries** processed by VA
 - Ensure correct job linking and coding
 - Flag any missing or misallocated entries
- **Reconcile bank statements**
- Reconcile transactions in Xero
- **Verify data sync to Xero:**
 - Confirm transactions are correctly pushed from Lentune
 - Check for duplicates, missing entries, or sync errors

Monthly Tasks

- **Prepare two financial reports** for Sofia and Travis:
 - **Job profitability summary** (quoted vs actual costs)
 - **Cash flow and aged receivables/payables**
- **Track retentions:**
 - Use Lentune calendar and job records
 - Set reminders for due dates and release conditions
- **Match builder payment schedules to:**
 - Progress claims
 - Draft invoices
 - Ensure alignment before submission
- **Reconcile RCTIs:**
 - Match builder-issued RCTIs to Formclad's progress claims
 - Flag discrepancies and resolve before month-end
- **Follow up on aged receivables (email reminders, call if needed)**
- **Process bills and manage payables**, including:
 - Batch creation for approval
 - Payment scheduling and reconciliation

Quarterly Tasks

Prepare BAS file for accountant:

- Ensure GST coding is accurate

- Export and compile required reports from Lentune/Xero

Ongoing Responsibilities

- **Maintain clean records** across Lentune and Xero
- **Collaborate with VA and office staff** to ensure smooth invoice and PO workflows
- **Support compliance tracking** (e.g., subcontractor docs, retention releases)
- **Communicate proactively** about errors, delays, or missing data
